Cloud Survey: Business Impact of Cloud

- ❑ Organizations of all sizes need to determine how they can generate real business benefit from using Cloud.
 - Yet the industry discussion about its benefits still tends to be more focused on its IT advantages.
- ❑ The survey examines the business drivers and ROI to be gained from Cloud Computing.
- ❑ http://www.opengroup.org/cloudcomputing/uploads/40/24144/Open_Group_Cloud_Computing_Survey_FINAL.pdf
- ❑ To be discussed in panel session, Wednesday 4:45 PM
