

Collaboration Community of Practice

Lunch Session
July 19, 2009 – Toronto

Sally Long
Director, Collaboration Services
[*s.long@opengroup.org*](mailto:s.long@opengroup.org)

THE *Open* GROUP

Objectives for this Session

- ❑ Overview of CCoP
- ❑ Agree/Revise DRAFT CCoP Objectives
- ❑ Initial Work Areas
- ❑ Opening Up the Community

CCoP - *Premise*

- We need to raise the bar on effective collaboration -
 - If the collaboration process isn't open, fair, vendor-neutral and timely it isn't effective
 - Soliciting community-sourced knowledge and expertise – will allow us to arrive at more effective methods, tools, and practitioners

CCoP – *Draft Objectives*

- Foster a community that allows individuals and organizations passionate about collaboration to:
 - share their vision, knowledge and expertise in: standards, best practices, collaboration tools, techniques and principles
 - learn from the knowledge and experience of others
 - facilitate the adoption or creation of best of breed standards and best practices in collaboration
 - facilitate market adoption activities to promote the use of collaboration standards and best practices.

CCoP – *Environment*

- Community will utilize:
 - CCoP Wiki as vehicle to provide content for and connection to members:
 - ▮ <https://wiki.opengroup.org/ccop-wiki>
 - Periodic WebEx events featuring collaboration SMEs
 - Face-to-Face meetings at The Open Group conferences
 - Task Groups for brokering and further defining ideas for standards and best practices
 - The backing of The Open Group - provides IT infrastructure and opportunity to move Task Groups to new forums of managed consortia with dedicated resources.

CCoP – *Initial Areas of Interest*

- Initial CCoP Areas of Interest:
 1. Information Base on Existing Collaboration Standards & Best Practices
 2. Guidelines for Presentations and Briefing Sessions
 3. Best Practices in Meeting Management: F-2-F Meetings, Teleconferences, Web-Conferencing
 4. Guidelines for Wiki Use
 5. Guidelines in Social Networking (Twitter, LinkedIn, etc.)
 6. Framework and Process for Facilitation Techniques
 7. Role Identification in the Collaboration Process
 8. Identification of Renowned Collaboration Experts

CCoP – *Thus Far*

- ❑ San Diego Conference (Feb/09) – presented CCoP concept (invitation only round table)
- ❑ Positive feedback at round table - prompted moving forward with the Community
- ❑ London Conference (Apr/09) - working lunch to determine initial interest areas
- ❑ Toronto Conference (Jul/09) - working lunch to refine draft Objectives, prioritize initial interest areas

CCoP – *Endorsement*

*“In the long history of humankind (and animal kind, too) **those who learned to collaborate and improvise most effectively have prevailed.**”*

– Charles Darwin

CCoP – Thank You!

*To be placed on the Collaboration Community of
Practice Mailing List*
