THE *Open* GROUP

The Active Loss Prevention Goal

Active Loss Prevention will reduce the incidence and impact of loss that occurs as a result of unauthorized activity in information systems within and between organizations.

THE *Open* GROUP

Timeline

Working Group Exploitation
- Policies
- Standards
- Best Practices

Working Group Launch

- Market Study
- Recruitment
- Structure

Dissemination and Infrastructure Operation
- Conferences
- Reports
- Discussion Forums

Operation of Special Interest Groups
- Mobile Transaction Liability
- Security Policy Management
- Trust Services Mapping
- Trust Marks
- Dependable Embedded Systems

Phase 1 Start-up

Phase 2 Operation

Phase 3 Consolidation

August 2002

December 2002

First Results

August 2003

Further Results

January 2004

THE *Open* GROUP
